Summary

UI Developer with 9+ years of experience in Information Technology, specializing in front-end development for web and mobile applications. Skilled in HTML, CSS, JavaScript and responsive design. Proficient in building scalable, user-friendly interfaces with a strong focus on performance optimization, cross-browser compatibility, and accessibility standards.

Technical Skills

HTML • CSS • JavaScript • React • SCSS • SASS • Bootstrap • Tailwind • Git • Figma • JIRA • HRMS • Code Review

Key Achievements

- ◆

Project Delivery Excellence
Led a team delivering 20 successful UI projects in 2024, improving client satisfaction by 30%.
- ◆

Efficiency Improvement
Increased code efficiency by 25% through code reviews and optimization, enhancing overall application speed.
- ◆

Mentorship Program Success
Mentored 5 junior developers, leading to a 40% increase in their coding proficiency.
- ◆

UI Strategy Implementation
Implemented UI strategies that decreased user acquisition time by 15% and improved interface usability.

Experience

- Freelancer

Remote

Lead UI Engineer

03/2025 - Present

 - Increased project delivery efficiency by 30% by leading end-to-end UI architecture and responsive interface implementation.
 - Designed and developed reusable component libraries and design systems (React/Angular/HTML5/CSS/Sass), accelerating feature delivery and ensuring visual consistency across projects.
 - Integrated REST/GraphQL APIs and collaborated closely with backend teams to deliver robust, secure, and scalable UI flows for complex business domains.
 - Drove UI/UX improvements using analytics and user feedback, iterating on key flows to increase engagement, conversion, and retention metrics for freelance clients.
 - Managed scope, timelines, and expectations with multiple stakeholders as an independent consultant, consistently delivering UI features on schedule and within budget.
- SKAD IT Solutions

Dubai, United Arab Emirates

UI Team Lead

03/2023 - 02/2025

 - Led cross-functional teams of UI designers and developers to develop and implement UI strategies aligned with business objectives.
 - Improved project delivery by 25% by managing 5 projects simultaneously, ensuring timely completion and strong stakeholder collaboration.
 - Conducted code reviews and mentored junior developers, ensuring best practices in code quality, accessibility, and performance.
 - Leveraged expertise in HTML, CSS, JavaScript, React, Bootstrap, Tailwind, GIT, Figma, JIRA, and Documentation.
 - Enhanced team performance through effective coaching and mentoring, fostering strong analytical and problem-solving skills.
 - Demonstrated excellent communication and interpersonal skills in engaging with stakeholders, designers, and developers.
 - Exhibited strong leadership abilities, driving team effectiveness and project success.
- Eorchids Tech Solutions

Chennai, India

UI Developer

12/2015 - 12/2022
